

Our Lord's Lutheran Church

Ministry Team Approach
January 2010

OUR LORD'S LUTHERAN CHURCH

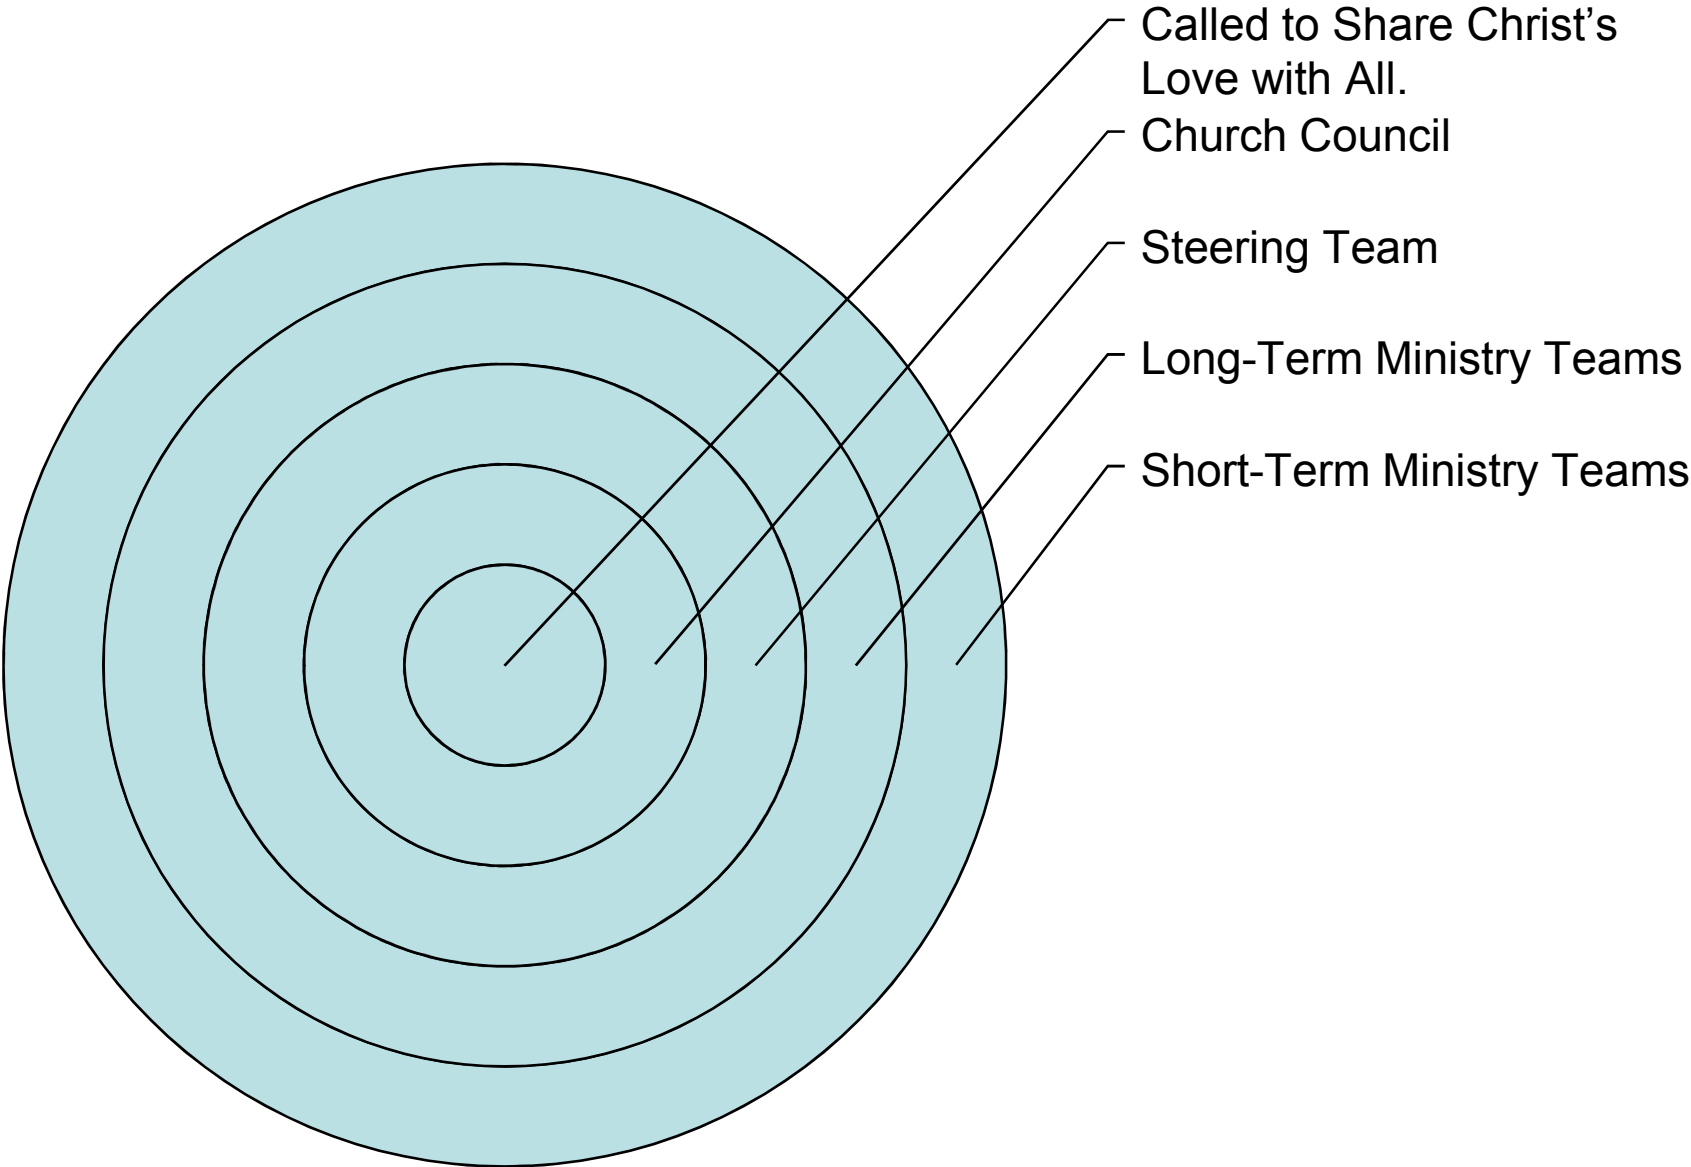

Our Mission:

Called to Share Christ's Love with All

Disclaimer

This presentation is the product of the Steering Team's ideas for how Ministry Teams may proceed at OLLC.

These slides offer a possible format from which we may start, but we are certainly not limited to these words on paper. That is the beauty of our new organizational structure! It puts the business of doing ministry in YOUR hands. The sky is the limit on what we can accomplish together. As you look at these slides to gather information about our new Ministry Team approach, listen to what God is calling you to do here in this place, and start envisioning how you can do it. Steering Team members will be available to help you discern your role in this new system of ministry.

Called to Share Christ's Love with All.
